

**Brookhill Barracudas  
Team Member & Family Code of Conduct 2019**

The main focus of our recreational swim & dive team is to have fun, all the while improving skills. All interested swimmers age 18 and under are welcome. There are no try-outs, but swimmers must be able to swim recognizable strokes for the length of the pool. 10 & Under swimmers should be able to complete a full length unassisted. Swimmers 11 & over should be able to swim two full laps without assistance. Swimmers will participate in meets at the coaches' discretion.

- Swimmers/divers shall respect and show courtesy to their teammates and coaches at all times.
- If a swimmer/diver has a problem with a coach, it is their responsibility to communicate the problem with that coach. If the problem escalates or can't be resolved in this manner, the swimmer/diver is to take the issue up with the head coach, who will help to resolve any issues.
- Be on time and prepared: Be ready to get in the water on time for practice and meet warm-ups.
- Swimmers/divers are at practice to swim/dive and are expected to be in the water when coaches direct them to do so. If a swimmer/diver fails to follow the coaches' directions, a coach may excuse the individual from the pool.
- Be respectful of your teammate's feelings and personal space. Swimmers/divers who exhibit inappropriate behavior towards another person will be excused from the practice or meet.
- Any coach at any time has authority to ask a swimmer/diver to exit the pool for disciplinary reasons.
- Swimmers/divers will refrain from all hurtful behaviors including verbal abuse, physical contact and destruction of property. If a swimmer/diver fails to do so, they will face disciplinary action up to removal from the team.
- Swimmers/divers and parents will be respectful and courteous to meet volunteers at all times. If you have a problem, come get your coach.
- During meets, the team area is for swimmers/divers only. Anyone not competing in the meet must stay in the designated fan area.
- Swimmers/divers must be at practice a minimum of two days during the week before a meet. A coach has the right to scratch a swimmer/diver from a meet if the swimmer/diver has not been excused for their absences prior to the meet.
- Swimmers/divers are strongly encouraged to participate in meets.
